

## Scheduling Private Events

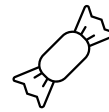

Can't make it to a scheduled Kids Give Back event or looking for a meaningful activity for your own group? We'll work with you to host a private event! Kids Give Back can host a volunteer service project at birthdays, corporate events, for Scout Troops, home-schoolers and more! If you are interested in scheduling a private event, please read below and submit your inquiry at <https://kidsgiveback.org/project-request/>.

Once you have an idea of who you'd like to serve and the budget, select one of the projects below. Most activities include supplies to make handmade cards or a small craft to put in the packages.

### Sample Projects for Private Events

**Snack Packs:** Compile snack packs for food insecure children or toddlers. \$3-6 each.

**Hygiene Kits or Spa Kits:** Create kits for low-income individuals for their most basic needs such as shampoo, combs, and tissues or pamper women in need with bubble bath, lotions, and lip balms. \$6-8 each.

**Art/Activity Kits:** Bring some sunshine to hospitalized, sick, or disabled children by packing totes full of activities such as coloring books, card games, craft kits and more. \$10 each.

**Birthday Celebration Kits:** Help spread birthday cheer by packaging cake mix, frosting, sprinkles, birthday banners, and other items for children who live in shelters. \$10 each.

**Support Animals in Shelters:** Make no-sew fleece blankets or snuffle mats for dogs, or goody bags for cats. \$3-7 each.

**Service Projects for the Military:** Write letters or draw pictures for the military and decorate pillowcases (which double as carrying bags). \$4 each.

**Baby Baskets:** Baskets of newborn essential serve underprivileged mothers in Fairfax. Work in teams to wrap boxes, then fill them with bottles, books, blankets and other baby items. The baskets are topped off with a small craft. \$60 each.

Once we've agreed upon a date, Kids Give Back staff will meet you at your desired location with all supplies in hand. We'll set up, clean up, and donate your completed projects to the charity.
